

Kooky Person's Inherited Traits

Name: _____ Date: _____

Directions: Create a Kooky Person by flipping a coin to determine what type of trait your person will inherit. You will flip your coin twice for each trait. Please record the result of each flip. If the coin lands on 'Heads' write a capital H, 'heads' will act as the dominate trait. If the coin lands on 'Tails' write a small t, 'tails' will act as the recessive trait. If you flip a 'tails and heads' write the final result as Ht.

Gender: Flip the coin once. If it lands on 'Heads' you're creating a boy. If it lands on 'Tails' you're creating a girl. Your toss was _____.

Heads – Boy

Tails – Girl

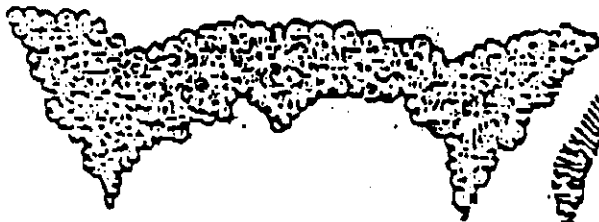

Hair colors: HH- Dark Brown Ht – Light Brown tt- Blonde or Red

1st toss: _____ 2nd toss: _____ Inherited Trait: _____

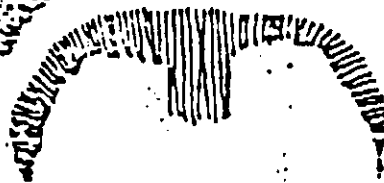

Hair style: Remember to record the results of each toss. Trace the hair by placing it in the center of the page. Remember to leave room for the head and body. Color the hair the inherited color. Add each body part as you find the result of the trait.
